The image shows the Blackboard learn+ login page. At the top is the Blackboard learn+ logo. Below it are two input fields: 'USERNAME' and 'PASSWORD'. A 'Login' button is positioned below the password field. To the right of the login button is a link that says 'Forgot Your Password?'. At the bottom of the form is a dropdown menu labeled 'Sign in with third-party account'.

2. Enter your nk_ username and password.
3. Click on the Login button.

This image shows the same Blackboard login page as above, but with the 'nk_' username entered in the 'USERNAME' field, a password of '*****' in the 'PASSWORD' field, and the 'Login' button highlighted with a red box. Red arrows point from the right side of the page to each of these three elements. The 'Forgot Your Password?' link and the 'Sign in with third-party account' dropdown are also visible. The Blackboard logo is at the bottom.

4. Access the course from the Learn.UQ homepage (<https://learn.uq.edu.au/>)

The image shows a 'My Courses' section on a webpage. It features a purple header bar with a white lock icon and the text 'Semester 1, 2020'. Below this bar, the text 'German Winter Survival Course 2020' is displayed.
